North-West Childcare Business for Sale

Circa 50 Licence

EBIDTA circa \$200k (fully managed profit)

STUNNING

Asking price \$795k by negotiation

This absolute gem of a centre has come to the market for the first time. Perfect licence number (around 50), stunning fitout, solid occupancy, what more could we ask for? Located in a very fast developing community like most of Auckland we have new centres going in but with the reputation and quality of this centre, you should have no problem maintaining occupancy.

When I say the fitout is stunning, this really is... no expense has been spared here with top quality assets and resources throughout.

Strict confidentiality applies. Staff and parents do not know of the impending sale until a business is unconditional.
