

Part Time, Home Based, Import Distribution Biz

FY19 Cash Surplus \$165,000, 3-year average \$137,000 p/a.

This is a fantastic home based, relocatable import and distribution business that generates an excellent return for the very part time working owners. The business supplies a niche range of sought-after maternity products to a nationwide network of retailers and hospitals.

This is a great business model with all systems and processes in place and good relationships exist with industry stakeholders. The owners have done an excellent job in getting the business to where it is today and get real satisfaction knowing they are really helping parents who are seeking the best solution for their needs. There is strong science behind the benefits underlying the use of these products which drive demand.
