Turn Your Passion into Profits, Dog Day Care Biz

An excellent opportunity for someone looking for a rewarding lifestyle change. The current owner's succession plan for the business is sadly not to be, but their loss is your gain with this sought-after business model coming onto the market with all the hard yards run.

The potential this business holds is unsurpassed. The well-located site features both an indoor and outdoor area, along with the added bonus of having even more space available indoors to grow into.

With great staff that are keen to stay on and excellent systems in place, it isn't hard to see why dogs are literally bounding out of their cars to get through the doors.

Historically providing an annual cash surplus of \$125K with many additional revenue streams, not currently being explored, the potential to capitalise on these countless opportunities is evident. The business has bounced back after the various lockdowns and is experiencing a steady run of new customers joining the already loyal following every week.

If you would like to invest in this rapidly growing industry and
