Creative and Stylish Wedding Service

Doubling the previous year's turnover in 2011, this little business has really made a name for itself in the lucrative wedding industry. This would be the perfect add-on to an existing business within the industry; or you could come in, take over and benefit from the vendors hard work cementing a name for itself within the industry. There are a number of facets to the business, leaving a huge amount of room for growth should you wish to take the business in this direction.

This business could be run from the existing premises or make it your own home based business - the choice is yours. With two excellent websites and systems in place to deal with a high volume of sales this business is known for its great service and high quality products which has enabled it to grow within the glamorous wedding industry. If you are currently in the wedding industry or would like to be involved in it this business could be for you.

Asking Price: \$95,000 including plant and stock. Stock valued at approx \$30,000
