

## **\$122K Price Reduction For A Top 10 Revenue Store!**

Since going on the market the price has been reduced by a massive \$122,000K for this top franchise! Already one of the top 10 revenue stores within the franchise group with a huge weekly turnover and the potential to grow it even more!

The huge success of this outlet can be directly credited to the superb location it enjoys both day and night trade. With an extensive customer base of approximately 33,000, the majority of sales are generated from the busy local area in addition to a large corporate trade. The demographics of the area are perfect for this type of outlet and the location has benefits that others in the group envy. A hugely popular NZ brand with an unsurpassed reputation for producing a quality product using quality ingredients, get involved in this popular franchise now.

Current store sales are all up on the same time last year and will only look to increase with the upcoming winter months and world cup around the corner. Get in there now! This franchise group has seen considerable growth in the market and is going from strength to strength. If you're looking for a proven franchise that provides a sense of security to any first time buyer, look no further. Hugely discounted asking price of
