Childcare Centre North Shore – Franchise!!

This is a huge and almost unique opportunity for an investor or teacher/manager to purchase an up and running 90+ license childcare centre operating via a Franchise Group.

This is a stunning centre, very profitable but offering something that in all the years I have been in the sector is very hard to find.

As a franchise, it offers many support factors that someone new to the childcare sector may spend years developing for themselves. Marketing, accounting and management support are but a few.

The centre has been operating successfully for over three years and has a very capable manager in place along with a full compliment of qualified and unqualified staff.

Occupancy at the end of March sat at just under 80% with new bookings confirmed since then.

The current owner does not work in the centre, but does work on it in the usual way of business owners and is selling for health reasons. Any Purchaser will need to be approved by the Franchisor and sign a new Franchise Agreement.
