This is a 'crème de la crème' Auckland childcare. Absolutely stunning turn-key opportunity, the vendors have taken the utmost pride in maintaining this center, you would think it was brand new it's that nice.

Alongside being near on perfect, it's also really different, not the same corporate looking childcare that has become the 'norm', it's impossible to not fall in love with this center at first sight and parents in the area feel the same as it's always close to being full.

It is set up management / staffing wise to be fully managed so genuinely suits an investor.

The vendor may consider a separate sale of the business
