Childcare Centre – South Eastern Auckland

This fabulous centre is offered to the market, preferably to an existing owner looking to expand their centre holdings.

Licensed for over 70 children, the centre is currently generating profits of over \$300,000 and shows good occupancy.

The centre is dominant in its suburb; an affluent eastern Auckland community, surrounded by new housing development, shopping and recreational facilities. A truly perfect setting for a thriving childcare centre such as this.

The modern and stunning building offers children a vast play area, both indoors and out and with plenty of resources, skilled and experienced staff, children are kept occupied all day in a warm and friendly environment.

It is expected that a buyer will have finance available and just waiting for the right centre to come along.

Asking price: \$1,225,000.
