ONLINE BUSINESS

Work From Home, Online Sales & Distribution = EBPITDA \$500k+

Currently turning over \$1.2million with an adjusted EBPITDA in excess of \$500k, here lies a very exciting opportunity for an energetic new owner!

My client needs to shift his focus to his other unrelated business which opens the door for you to capitalise on what he's built. Eight years ago he saw an opportunity to start an online business and create a platform for visitors to choose product which can be found in every household throughout the country. The website allows for cross and up-selling opportunities too so revenue is diversified. And because the website has excellent Google search results, work just keeps coming in with very little marketing effort.

It gets even better; the business holds no stock so you don't have to worry about money being tied up in goods. Instead, how it works is the customer places an online order or phones though and a contracted salesperson responds to those leads and converts them into sales. The order is placed with a very well-established supplier and a sub-contracted installer does the rest - it really couldn't get simpler.

Be as hands-on or off as you wish - this business is certainly
