## Potential \$2.1M ROI – Fully Managed

For sale is this highly reputable business that has been providing top-notch services for over 25 years. With a track record of reliability and quality, the business has become the go-to provider in the region. Operating in two complementary divisions, both with a phenomenal market share, on current forecast for this FY the business has the potential to generate c.\$2.1 million in annual profits – fully managed.

The backbone of this business is its repeat customers, with no single customer accounting for a significant portion of sales. Moreover, a strong pipeline of confirmed work ensures that the business is poised for continued growth.

This business is well-structured, with a team of 45 highly skilled and experienced staff, including 10 management and administrative personnel. Each division is supervised by experienced managers, with one division having 17 staff and the other having 15.

If you're looking for a turn-key business opportunity that has the potential to generate \$2.1 million in annual profits fully managed (manger needs to be put in place), then this business is worth considering. The option of having it managed by a professional team adds to the appeal, making
