

Sustainable Profit, Growth, Recurring Revenue, Government Backed Success

Ride the wave of success on land with a business boasting a legacy of excellence, much like the champions of Team New Zealand. This business offers exceptional potential with its impressive master franchise framework, crafted by top industry experts, included with the sale. Currently, the business operates as a centralised hub, offering flexibility to manage operations from your home or an office location of your choice. This isn't just another business venture; it's a truly scalable model with potential for growth.

At the heart of this successful enterprise is a commitment to nurturing talent and driving trade advancement through an innovative and proven business model. If you're good with people, understand basic financials, and enjoy helping others gain globally recognized qualifications and hands-on experience, this is for you. Experience in business recruitment would be advantageous. This business can run from anywhere in the North Island, offering flexibility from your chosen location.
