

\$\$\$ Import Distribution – NZ Agencies

This successful operation ticks all the boxes. The business supplies specialist product into a large market, has a 20 year history, is stable, profitable and is one of the market leaders within its field. This is a marketing and sales driven business wholesaling top of the line European product within its industry. Covering all bases the business also provides servicing and training (with huge margins) within its field, which ensures great customer retention and huge potential for further growth.

The company averaged a return of over *\$330,000 for the past two financial years with this year looking to surpass that, with current figures showing a return of around *\$179,000 for 5 months. There are currently plenty of product orders on hand and a large amount of quoted products in the pipeline that a new owner will benefit from.
