This is a niche passenger transport business in a unique high demand location. It has an outstanding brand and a reputation as the premium service provider of passenger transport on Waiheke Island. Founded in 2005 it has a modern fleet of 30 vehicles, with which it offers a range of passenger transport options for visitors to the Island.

Revenue is split approximately 50/50 between large passenger bus loads and small passenger taxi fare work. Included are great accommodation options for a family or group who wish to run this business jointly, with residential accommodation onsite and next door.

Waiheke Island is a growth area and remains on the list of the “must see” locations for visitors to NZ. With the international travel market forecast to return to full strength in the 2023/24 season, Waiheke Executive Transport is ideally placed to cater to the extra numbers and reap the rewards.
