

Rare Investment Opportunity: Multiple ECE Centres with \$2m EBITDA expected in 2025

An exclusive chance to diversify your portfolio with a collection of early childhood centres that stand as a testament to sustainable profitability, operational excellence, and significant community impact. This opportunity is not just about financial gain; it's a venture into a sector vital for future generations.

Focused on a low parent fees, high Government funding model, this business has proven it can thrive through pandemics and recessions.

- EBITDA looking like \$2 million in 2025, this business evidences remarkable efficiency and profitability.
- Robust management structure, including individual Centre Managers and an overarching Operations Manager, leaving you to focus on strategic oversight, this investment offers a low-level management approach for the prospective investor.
- Licensed for over 300 children across multiple locations, with an average occupancy rate surpassing 90%, signifying unwavering demand and operational success.

This unique opportunity is ideal for investors or groups looking for a profitable entry into the dynamic ECE sector or to
