Profitable Pilates Business

Opportunity to own a well-established boutique Reformer Pilates business located in popular Matakana, just north of Auckland.

Operating in the region for 7 years, MYO Health has built up a loyal client base and has proven to be a robust and resilient business, consistently achieving good returns year-on-year.

The current owner has successfully run the business part time around her busy family life, only offering classes on weekdays during school term. Now, with new software in place and a team to run all the classes, the owner is doing light touch management consisting of a few hours a week. It is the perfect time for a new owner to take over the business and reap the rewards.

Business Highlights:
-   6 Reformers with room for at least 2 more.
-   Separate room for treatment, storage, kitchenette, etc.
-   First Group Reformer Pilates studio in the region with a growing clientele.
-   Great reputation and busy without any advertising—purely word of mouth.
-   Huge potential for growth with advertising—only studio
