

## Quality Innovative, Market Leading Business!

Dive into a Lucrative Niche – Solidify Market Presence!

Health Force Quick Sale – leaving a business with a proven track record and forward orders.

This specialist engineering and project management business is a market leader in a growing industry with high barriers to entry, ensuring a strong competitive advantage. The business is well-organized, with exceptional systems, designs and processes that have consistently returned \$300,000 EBPITD and more with the exception of Covid years.

- **Nationwide Reach:** Although based in Auckland, this business is relocatable, with projects managed nationwide through a trusted network of sub-contractors.
- **Ongoing Growth:** New technology is driving opportunities.
- **Barriers to entry:** High barriers to entry mean limited competition and more opportunities for a buyer to dominate the market.

The vendor is highly motivated to sell but open to post-sale vendor support by way of advice, ensuring a seamless transition.
