

Premium Cabinet Maker Auckland Unique and Profitable

\$3.0 million incl stock & plant

This business has been under its current leadership for more than a quarter of a century and during that time has built an enviable reputation for the very best cabinetry.

But unlike most cabinetry businesses it has continued to grow through the latest recession as it focusses on the very premium end of the market, creating bespoke cabinetry for luxury properties.

Keeping a deliberately low profile, they work for high-net-worth individuals along with the very best builders, architects and designers with all their work coming from repeat business and referrals.

Key attributes of this special business include:

- Very profitable \$1.0 million surplus last 2 years
- Consistent track record of growth even through the current recession
- Exciting and challenging projects
- Strong pipeline of forward work
- Long serving, highly skilled and stable team including an
