

NZ Export Business – Food Industry

- Turnover \$26M
- 2024 EBPIDTA \$1.8M
- Small Boutique Business, Great returns.
- Asking \$7.5M by negotiation

This successful NZ business, established over 35 years ago, has 2 hands on vendors; 1 that would happily stay on with the business for 1-3 years (by negotiation), 1 looking to retire (after a solid handover period is given to the purchaser).

Most major relationships are over 10 years strong and the vendor easily transferable. Not 1 customer is over 7% of revenue with a large spread around the globe. Expansion potential is huge with so many areas internationally (and nationally) untapped and hungry for quality NZ product.
