

Thriving Event Hire Business – North Shore

This well-established and highly regarded event hire business has been serving the community for 22 years, building a reputation for quality, reliability, and exceptional service. Operating from a prime North Shore location with an office, showroom, and warehouse in excellent condition, it offers a comprehensive inventory worth over \$1.1 million if set up from new. With a loyal and diverse client base spanning both commercial and private sectors, the business enjoys a consistent revenue stream.

Streamlined systems and technology make operations simple, while high barriers to entry – thanks to significant infrastructure and brand recognition—provide a strong competitive edge. Opportunities for growth exist in corporate events, catering, and expanded marketing efforts. Whether you're an entrepreneur with a passion for events or an industry player looking to expand, this business is ready for its next stage of success.

Asking \$590,000, including \$540,000 of depreciated plant and stock.
