

Hire Business – 6 Month EBIT *\$405,000

This is a simply run successful hire business in the construction industry which has found a niche in the Auckland market. The business has an excellent client base which is well spread with no one customer accounting for a large portion of the turnover. Meaning the business is not exposed by any one customer.

This year's 6 month EBIT is *\$405,000 with a good amount of upcoming work already booked this is a fantastic opportunity for the right buyer. The business has huge potential for further growth and with the booked projects, quotes in the pipeline and the current building market; things don't look like slowing any time soon. The Vendors are proposing a good handover and training period offering excellent security to the new purchaser. If you are a practical person, can read plans and have a small amount of construction knowledge – this could be the easy run, very profitable venture you have been looking for.
