

Global Travel & Tourism Wholesaler, Re-locatable

This well established business has a strong brand presence, can be operated from a home based office and is relocatable anywhere in New Zealand - from North Cape to Bluff! The business is well placed within a specialist niche tourism / accommodation marketplace, catering to the needs of inbound travellers. With the main markets being Australia, UK, USA and Europe; there is HUGE potential to expand growth and up the average owner's earnings of \$125,000 PA by tapping into the fast growing Chinese market. This is not another online company as only 5% of the business is online; it is a trade based supplier with direct distribution into global chains. However, another opportunity for growth is identified by extending the online presence for increased direct consumer sales. The business sale comes with:

- Trademarks;
- Websites and a selection of URL's for trade name protection;
- Client databases and all currently held confirmed advanced reservations ie guaranteed income to allow the new owner to immediately kick-start their business venture;
- Assistance with handover;
- Operational cloud based reservation system setup;
- Wholesale contracts in place.
