Fully Managed Aged Care / Hospital With Options!

This fully managed Aged Care facility is situated on prime Auckland real estate; it really is location, location, location, is close to Auckland's CBD and offers a number of development opportunities for a discerning buyer! While the vendor's preference is to sell the business under a long-term operating lease, he has advised that he will sell as a Free Hold Going Concern if the sales proceeds can be reinvested into commercial property at an equal level of return as currently being achieved. So, this presents some very exciting opportunities: â€¢ Grow the profitability - grow the bed numbers, all the while maintaining a profitable business. The vendors have this process underway and currently have 4 feasible design phases being considered as their background includes qualifications and experience in this market. â€¢ Take advantage of Auckland's housing market shortage and the prime position of this land. â€¢ Purchase a profitable business whilst land banking for the future opportunity that Auckland Council's Unitary Plan will provide. The facility was purpose built in the early 1990's and has been well managed and maintained over the years and a renovation was completed in 2014. There is a full complement of staff made up of RN's caregivers, cleaners and cooks, many of whom have worked at the facility for numerous years. The financial
