

Transport & Delivery Business, \$600K Cash Surplus*

Formed in 2011, this Auckland based transport business has been experiencing brilliant growth year on year and has some really exciting potential development options in the pipeline for 2016. The business offers a range of services across the Auckland region from delivery, general freight and relocation solutions, moving palletised goods, furniture etc in their curtain sider, tail lift and box body trucks. The business operates 7 days a week and is currently owner operated, however could easily be a managed operation or a significant add-on to an existing business. They have a team of reliable, hardworking staff and we are told that all work is regular, contract deliveries with schedules sent in every day. Payment is received weekly and monthly which provides great cash flow. Because of the steady incoming work, the owners have not chased or advertised for new work but tell us the client base has grown significantly due to the high levels of service provided.*On target to achieve an EBPITDA of over \$600K for the financial year 2016, the transport industry can be fruitful and we are excited about taking this business that's growing in leaps and bounds to the market. Asking Price: \$1,550,000 which includes vehicles, stock & plant.
