Get Moving! Perfect Home Business – Auckland Wide

This Auckland based removal business is an ideal operation for an owner who wishes to run their own business from home with minimal overheads and reduced hours. Specialising in residential and commercial relocations over the last 9 years, the business prides itself on their reputation for high quality service and customer satisfaction; resulting in large amounts of repeat work and referrals and creating a regular flow of forward bookings.

*Offering an excellent return (EBPITDA 2016 \$169,000) to the owners, and there is potential for further growth – we are advised that there is sufficient work for a 3rd truck to be added as the owners currently sub-contract out approximately one weeks' work every week which could easily be brought back in-house.

There are very good systems in place meaning the owners can run the business remotely from almost anywhere in the world whilst on holiday. In addition they have an excellent leading hand in place who is skilled in the everyday running of the business plus very good loyal staff. The Owners input is approximately 3 to 4 hours per day 5 days a week.

Asking \$295,000 which includes vehicles.
