Aged Care Facility, Waikato DHB

Aged Care Facility, Waikato DHB

Approximately 42 minute drive to Hamilton and 142 minute drive to Auckland, this facility is located in the Aged Care Golden Triangle. Located in a very desirable beachside town experiencing population growth with a new residential subdivision to open mid 2018, this represents an excellent opportunity for the purchaser.

The vendor has recently upgraded the facility by (1) adding additional beds; (2) expanding the common services to the facility, and (3) modernizing parts of the facility making this a very desirable establishment to walk into and operate. The owner, in undertaking the alterations, has done the hard work at the cost of occupancy.

The unique business value this facility offers is that all beds are certified as dual service (SWING) beds. A registered valuation has recently been undertaken, which has valued the facility on both Income and Market Approach with the opportunity to grow occupancy and profitability.

My vendors instruction is to market the facility at \$2,600,000 (Plus GST if Any).
