Homebased Business

Homebased Supplier of Consumable Products

With a reputation for providing a quality service and competitive pricing in a stable and required sector, the current owners are on to a winner here.

Now looking to focus on other business interests, the owners would like to pass the reigns over to a new energetic buyer to capitalise on what has already been created and take this business to the next level.

Suppliers top quality, locally manufactured and imported products, there are good solid working relationships established with these suppliers.

There are a large number of regular customers on the database ranging from large corporate companies to smaller owner operated businesses. Customer satisfaction and repeat business is high due to the quick delivery times, variety of quality product and the excellent service delivered time and time again.

If you like the idea of working from home, receiving a cash surplus of \$78,000 and expanding on the numerous opportunities available here, what are you waiting for? Get in
